

2-19 DARR

Pursuant to EIS Regulation 1:33, the following types of actions, where they fall within the given classes of action, shall generally be exempt from requirements regarding preparation of an environmental assessment, negative declaration, or EIS:

1. Ditches, channels, and common areas: routine maintenance, grass cutting, and removal of debris.
2. Repairs to existing homestead homes.
3. Hawaiian Home Lands office and community facilities;
4. Ditches, channels, common areas and fences: routine maintenance, grass cutting and removal of debris;
5. Repairs to existing homestead homes;
6. Pumps and controls, pipes and channels water storage tanks and sources;
7. Road, road structures and trails.

1. Replacement of a single home at one time.
2. Replacement or reconstruction of cesspools approved by the State Department of Health and Board of Water Supply.

3. Replacement of a single home at one time;
4. Replacement or reconstruction of cesspools approved by the State Department of Health and Board of Water Supply.

Exemption Class #4: Minor alteration in the conditions of land, water, or vegetation.

1. Removal of trees and filling holes and/or cutting of trees that are burned, destroyed or diseased;
2. Removal of gravel, rocks, trees (non-endangered species) and/or other materials necessary to make agricultural lands more productive and useful for grazing, farming and other related agricultural purposes.

Exemption Class #5: Basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource.

Archaeological and endangered species.

Exemption Class #6: Continuing administrative activities, such as purchases for supplies and personnel-related actions.

1. Land consolidation of remnant parcels to provide additional land area for homesteading purposes.
2. Minor subdivisions: single-lot subdivisions involving one lot into two lots.

Exemption Class #7: Construction or placement of minor structures accessory to existing facilities.

Fencing for agricultural purposes.

Exemption Class #9: Demolition of structures, except those structures located on any historic site as designated in the National Register or Hawaii Register as provided for in the Historic

Preservation Act of 1966, Public
Law 89-665, or Chapter 6, Hawaii
Revised Statutes.

Demolition of dilapidated structures.

NOTE: As stipulated by EIS Regulation 1:33(b), all exemptions under this list are inapplicable when the cumulative impact of planned successive actions of the same type, in the same place, over time, is significant, or when an action that is normally insignificant in its impact on the environment may be significant in a particularly sensitive environment.
